NIAMAT MARJAN

SOFTWARE DEVELOPER

Colombo, Sri Lanka | +94 77 326 4243 | mniamatmarjan@gmail.com | niamatmarjan.vercel.app | NimBuzz01

ABOUT ME

Innovative Software Developer and UI/UX Designer with a passion for creating engaging digital experiences. Equipped with a keen eye for detail and a deep understanding of user-centered design principles, I bring creativity and technical expertise to every project. My goal is to continually refine and evolve designs to achieve optimal user satisfaction and engagement.

SKILLS

- NextJs/ReactJS
- HTML/CSS
- JavaScript/TypeScript
- Java
- Tailwind CSS/Material UI
- Python
- Figma
- Google Analytics/SEO

WORK EXPERIENCE

WSO2 LLC (Pvt) Ltd.

Software Engineer Intern • 2022 - 2023

- Created web applications for client demonstrations, showcasing product capabilities and features.
- Designed and developed the Open Healthcare Sandbox v3, showcasing WSO2 Open Healthcare tools and features.
- Implemented microservices and APIs using Choreo and WSO2 API Manager, enabling scalable and efficient backend solutions.
- Participated in code reviews, troubleshooting, and resolving software defects and issues to ensure high-quality deliverables.

ZRI Adventures (Pvt) Ltd.

Web Developer • 2023 - 2024

- Developed frontend using Next.js, Tailwind CSS, and TypeScript to create a responsive and user-friendly interface.
- Utilized Strapi and PostgreSQL for backend development, ensuring efficient data management and API functionality.
- Implemented PayHere, Koko, and MintPay payment gateways to enable secure and seamless transactions on the website.
- Integrated Google Analytics and SEO best practices to optimize website performance and enhance visibility.
- Designed and implemented a user-friendly and responsive UI, prioritizing accessibility and engagement.

Dunes Cart

Web Developer • Mar 2024 – Present

- Developed frontend, admin dashboard, and a custom CMS using Next.js, Tailwind CSS, and TypeScript.
- Utilized Prisma ORM and PostgreSQL to design and maintain robust databases for storing and retrieving application data.
- Integrated PayHere payment gateway to facilitate secure and reliable online transactions.
- Implemented Google Analytics and SEO strategies to optimize website performance and enhance visibility on search engines.
- Designed and implemented a user-friendly, responsive UI across frontend and admin interfaces.
